# HOW WE INCREASE NUMBER OF APPLICANTS

- ✘ *Said to faculty/staff/parents to encourage individual students to apply for specific scholarships*
  - + *To be effective, the encouragement must be personal, one-on-one and not part of a group announcement*
  - + *Provide faculty with a list of scholarships that are relevant to their field of expertise and department*
  - + *Faculty and staff can also identify students who are good candidates for winning scholarships*
  - + *Provide the student newspaper with a monthly list of the most prestigious, most generous and most unusual scholarships with upcoming deadlines*
