About

The outbreak of Covid 19 has left the nation shut its doors to contain the spread of the covid-19. During this time, 'Corona Warriors' are going the extra mile to battle the pandemic. Along with all 'Corona Warriors' stand our Teaching community. Teachers have embraced the present situation with positivity and used it as a growth opportunity, with zeal, commitment and creativity into new way of online teaching learning Process.

Therefore, there is dire need to foster global competencies among faculty as **Global competence is the tool to meet the problems and opportunities of the world**, so that students can prepare to approach problems from multiple perspectives and to thrive in a global future. For the same, college has done efforts to collaborate with faculty members of Global Repute Organizations to foster Global competencies among faculty of the nation, so that challenges of COVID - 19 can be converted into a productive opportunity.
